

# TSSH-CR1 HELMET

THOMAS 2018-01

**Advancing the traditional safety helmet, the THORMASAFE TSSH-CR1 Helmet features a see-through rim that offers users a wide view while working and allows them to see hazards overhead. With this innovation, THORMASAFE improves workers upper peripheral vision by an estimated 50%.**

## ADVANTAGES

- See-through rim design offers dramatic improvements in upper peripheral vision
- 4 point ratcheting suspension for shock absorption and improved ventilation by creating air pockets between your head and the helmet shell
- 4 point air flow ventilation system lets heat escape and allows for air circulation and cooling
- Rainwater drain trough to prevent water from dropping down the neck
- One hand adjustable ratchet fitting system for a secure fit
- Anti-scrape lens against impact
- Impact absorbent lightweight and durable ABS shell with reinforced ribs
- Universal accessory slot to accommodate a variety of face and hearing protection

## ATTACHABLE ACCESSORIES (NOT INCLUDED)

- Ear protection
- Face protection
- Chin Strap

## CERTIFICATION

- Type I Class C
- ANSI/ISEA Z89.1-2009
- EN397:2012/A1:2012

## INDUSTRIES

construction

industrial

metal  
fabrication

hoisting

## CARE & MAINTENANCE

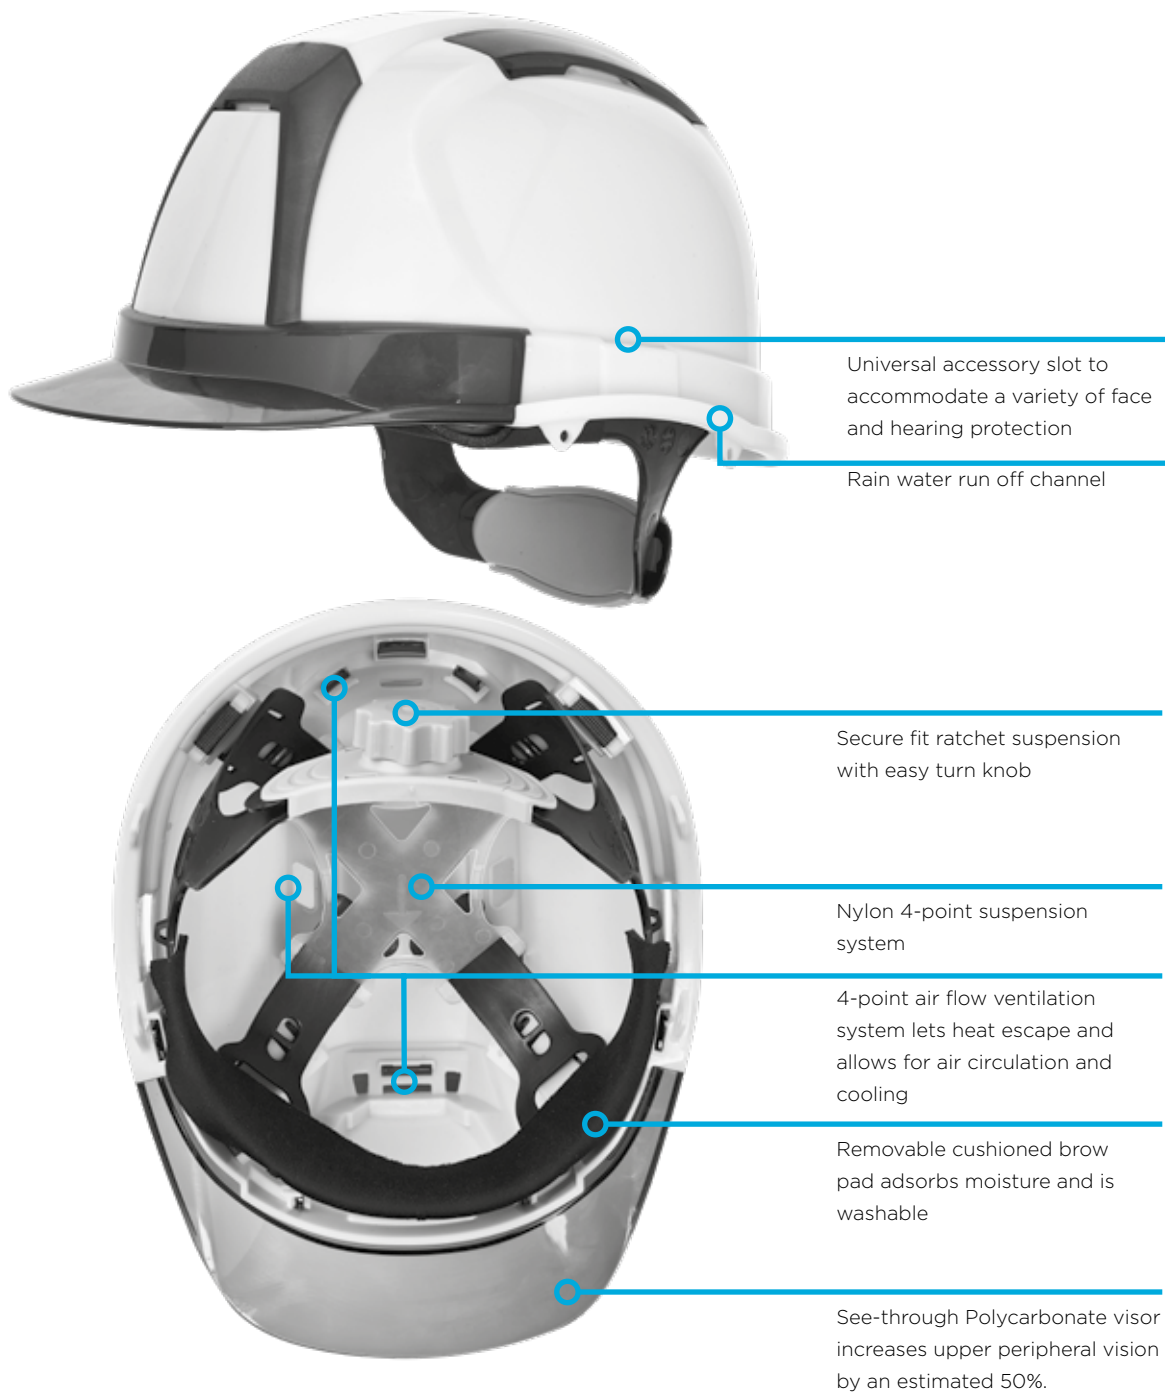

This helmet should be inspected before each use. If there are any signs of damage, or excessive wear and tear, it should be replaced.

**Cleaning** - This protective helmet may be cleaned and disinfected by means of a cloth impregnated in a low concentration cleaning solution. Do not use any abrasive or corrosive chemical product.

**Storage** - During transportation, the helmet should be stored in a dry cool place away from light, frost and in a location with no chemical products or sharp objects.

**Allergies** - Does not include any known allergy causing substances. However, if there is an allergic reaction, remove the helmet and seek medical advice.

**Lifetime details** - Has an in-use life of up to 5 years, however excessive wear and tear can considerably reduce the lifespan of the product

## ORDERING & TECHNICAL DATA SPECIFICATIONS

Article number	2410070
Size	52-63 cm
Weight	495 g
Shell material	ABS
Visor material	Polycarbonate visor
Cradle strapping material	Polyester
Cradle system	Nylon 4-points ratchet suspension
Headband material	Polypropylene
Sweatband material	Rayon
Colours	White
Packaging	1 pcs/polybag, 20 pcs/carton. D= 60x46x56 cm
